

Hooky Spooky (tune of Hokey Pokey)

Cut 14" crepe paper streamers, one orange and one black, for each child. Children form a circle holding a streamer in each hand.

Song:

Put your **orange hand** in,
Put your **orange hand** out,
Put your **orange hand** in and you shake it all about.
You do the Hooky Spooky, and you turn yourself about.
That's what it's all about.

Repeat for **black hand, orange foot, black foot, and whole self.**

One Little, Two Little, Three Little Witches

(Tune of One Little, Two Little, Three Little Indians)

One little, two little, three little witches
Fly over haystacks, fly over ditches,
Slide down the moon without any hitches.
Hi-Ho Halloween is here!

One little, two little, three little witches
Fly over barbed wire and tear their britches,
Have to go home and get some stitches.
Hi-Ho Halloween is here!

Once I Had a Pumpkin (tune of Did You Ever See a Lassie)

Oh-oh once I had a pumpkin, a pumpkin, a pumpkin,
Oh-oh once I had a pumpkin with no face at all.
With no eyes, and no nose, and no mouth, and no teeth.
Oh-oh once I had a pumpkin with no face at all.

So I made a jack-o-lantern, jack-o-lantern, jack-o-lantern,
So I made a jack-o-lantern with a big funny face.
With big eyes, and a big nose, and a big mouth, with big teeth,
So I made a jack-o-lantern with a bug funny face!

Note: If you have a carved jack-o-lantern, you can display the uncarved back side during the first verse, pretend to "carve" the pumpkin during the second verse, then turn it around at the end of the second verse to show the "big funny face." Alternatively, you can have a volunteer child stand beside you with his/her back to the group. Pretend the child's head is the pumpkin, acting out the "carving" during the second verse, then have the volunteer turn to face the group at the end of the second verse showing whatever "big funny face" he/she wants to make. Be ready to repeat with new volunteers!
